Terms and conditions:

Welcome to the Chinese Garden of Friendship

The Chinese Garden of Friendship is one of Sydney's most popular destinations for school groups, adult learning, heritage clubs and other groups. To ensure that all of our visitors enjoy their time at the garden, the staff and management ask that you assist us by supervising your attendees at all times. Please also familiarise your group with the following guidelines before entering the garden.

- Please watch your step as there are steep stairs, uneven surfaces, which can be slippery if wet, and barrier-free water edges throughout the garden. We recommend that visitors wear flat, non-slippery walking shoes and stick to the paths and assess your own risk at all times.
- Persons under the age of 16 must be under the direct supervision of an adult at all times.
- Smoking is not permitted anywhere inside the venue.
- Please help us to protect our wild birds, animals and fish by not feeding or touching them. Domestic animals are not permitted.
- Remain alert as there may be swooping birds in this area, although rare and generally during springtime.

Stay safe and enjoy your visit.

For more on Chinese Garden of Friendship General Conditions of Entry and safety information, please refer to our website.

A venue and safety information sheet can be provided on request.

I have read and agree to the terms and conditions.
