# Terms and conditions – Filming and photography

The Chinese Garden of Friendship is located in the heart of the city, just minutes from Sydney's CBD and Darling Harbour. Its uniqueness and sensitivity demands increased awareness inside the garden, particularly regarding our visitors, uneven surfaces and water, and outside the garden regarding vehicle access. We ask for your care and consideration and specifically request that this information be relayed to your employees and contractors.

## General conditions

1. A public liability insurance policy for \$20 million noting Place Management NSW and all its employees and agents must be arranged by the applicant. Evidence of this policy must be provided at the time of application.
2. Any damage resulting from an approved film/photography shoot shall be recompensed by the applicant. All direct cost incurred by the Chinese Garden in relation to the shoot must be covered by the applicant.
3. Garden management must be advised if any aspect of your shoot changes from the way it is described on your application.
4. The hirer shall not cause any display of images, words, acts or other material of a crude, offensive nature that is likely to embarrass or distress or in any way injure the reputation of Place Management NSW, its employees or any member of the public.
5. The hirer is not permitted to utilise the Chinese Garden in a way that is considered political in nature and not in the spirit of Chinese and Australian friendship.
6. Fireworks, animals and amplified sound are not permitted.
7. Exclusive use of the Chinese Garden is not available during the day. As a site hirer, the organiser should be aware that other activities may be occurring or in place during your period of use.
8. Failure to comply with conditions may result in additional fees and/or bond withheld.

## Risk management and safety

9. A risk management and safety plan for filming at the location must be developed and implemented and a copy provided to management prior to commencement of the shoot. This includes a risk register as evidence that a thorough risk assessment, which identifies risks and provides a means of implementing and managing controls, has been conducted. This also includes evacuation plans.
10. All employees and contractors must have work health safety induction training and have completed safe work method statements as required by the *Work Health and Safety Act, 2011*.
11. All incidents including injury, property damage or loss and near misses must be investigated, documented and reported to management immediately.
12. Employees' and contractors' work practices must not cause hazards or endanger visitors or staff. The work site must be safe, with appropriate safety barricades, guards and signage in place where necessary.
13. All machinery used within the Chinese Garden must be in safe working condition with appropriate safety devices fitted and all machinery must conform to appropriate Workcover legislation.

## Fees and charges

14. Location fees must be paid two weeks prior to the commencement of the shoot. A bond may be required as security against possible damages.
15. The applicant may cancel the application by notice in writing to the Chinese Garden management at any stage prior to the date of commencement. If the cancellation is received at least one (1) day prior to the date of commencement, the following provision will apply:
  - (a) Notice received by the Chinese Garden management at least fourteen (14) days prior to the date of commencement—100% of the bond and service charges paid to Place Management NSW refunded. The application fee will be withheld in full.
  - (b) Notice received by the Chinese Garden management less than fourteen (14) days prior to the date of commencement—the application fee and all relevant service charges will be withheld in full.
16. Where Place Management NSW is unable to provide use and occupation of the agreed location due to unforeseen circumstances, the applicant's sole remedy will be a refund of the fees, bonds and relevant service charges paid to Place Management NSW.

## Vehicle movement

17. Please note that there is no vehicle access on the forecourt. Authorised access may be given upon request. All vehicles must be escorted on site by a Darling Harbour Rangers' representative.
18. Vehicles are not permitted to drive at more than 5 kmh.
19. Parking is not available on site.

## Cleaning

20. The applicant is responsible for cleaning the surrounding area and removing all rubbish resulting from the shoot to the satisfaction of Chinese Garden management.

## General conditions

21. Chinese Garden management reserves the right to reject any application as non-conforming if the proposed use doesn't conform with the current policy or if use threatens the amenities of the garden or other events.
22. Chinese Garden management and its authorised officers have the right to remove any person exhibiting antisocial behaviour, i.e. anyone causing annoyance, nuisance or injury to another person or the community.
23. No smoking of any substances is permitted in the garden or in its pavilions.
