Forma is an open-air summer concert series and pop-up cultural hub taking place at Eora/Sydney's Tumbalong Park, Darling Harbour. The series features two weekends of all-ages open-air concerts, spanning vintage disco acts, rock royalty and future-facing pop, as well as a curation of pop-up food vendors open to the public throughout the day and on non-concert nights for alfresco summer dining.

EVENT HOTLINE: 0484 581 108

This number will be operational during all times of occupation, from the 24th November.
Please feel free to call if you have any concerns, complaints or want to chat with one of our team!
Before then, you can email us at hello@formapresents.com.au

Forma is committed to ensuring the event minimises any negative impacts on the surrounding neighbourhood, local residents and businesses through consultation with Placemaking NSW (PMNSW) and local authoritities.

We want to make sure the local community benefits from our events too, so to thank you for your support we're offering a 50% discount for locals to come down and enjoy any of our ticketed shows! Just head to https://formapresents.com.au and use the code: **FORMALOCALSTIX** at checkout.

NOISE:

Acoustic Monitoring Measures that will be implemented:

1. Continual monitoring of the sound levels throughout the event to ensure that sound emissions from the site comply with noise limits, by a qualified acoustic consultant.
2. Limitations will be placed on the type and positioning of sound systems.

Sound amplification can be expected during system checks & sound checks, when the dining precinct is operational (secondary PA system at low level) and during show times (main PA system at show level).

Please see schedule over the page for more information and dates/times of sound amplification.

TRAFFIC AND PEDESTRIAN ACCESS:

Darling Harbour and surrounds will remain accessible via Tumbalong Boulevard and joining shared pathways for all pedestrian activity. There will be some restricted access through Tumablong Park throughout the duration of the event. Please see wayfinding maps over the page for access points,closures and alternative paths of travel.

Regards,
The Forma Team
